Intellectual property rights

Our intellectual property

We are the owner or the licensee of all intellectual property rights in our Services, including all source code, databases, functionality, software, website designs, audio, video, text, photographs, and graphics in the Services, as well as the trademarks, service marks, and logos contained therein (collectively, "Our Content"). Except as explicitly provided herein, nothing in these Terms will be deemed to create a license in or under any intellectual property rights, and you agree not to access, sell, license, rent, modify, distribute, copy, reproduce, transmit, publicly display, publicly perform, publish, adapt, edit, or create derivative works from any of our intellectual property.

Our Content is protected by copyright and trademark laws (and various other intellectual property rights and unfair competition laws) and treaties in the United States and around the world.

Our Content and the Services are provided in or through the Services "AS IS" for your personal, non-commercial use or internal business purpose only.

Your use of our Services

Subject to your compliance with these Terms, we grant you a non-exclusive, non-transferable, non-sublicensable, revocable license to use the Services solely for your personal, non-commercial use or internal business purpose.

Except as set out in this section or elsewhere in our Terms, no part of the Services may be copied, reproduced, aggregated, republished, uploaded, posted, publicly displayed, encoded, translated, transmitted, distributed, sold, licensed, or otherwise exploited for any commercial purpose whatsoever, without our express prior written permission. Unless explicitly stated by us, nothing in these Terms shall be construed as conferring any right or license to any patent, trademark, copyright, or other proprietary rights of us, our site, the App, or any third party, whether by estoppel, implication, or otherwise. The license is revocable at any time.

If you wish to make any use of the Services other than as set out in this section or elsewhere in our Terms, please address your request to: contact@wavodio.com.

Any breach of these Intellectual Property Rights will constitute a material breach of our Terms and your right to use our Services will terminate immediately.

Our license to your Contributions

Please review this section carefully prior to using our Services. Whenever you interact with the Services or provide, post or upload anything through the Services, you grant us perpetual rights in those Contributions, including the right to license your Contributions to train AI.

Contributions

Anything submitted to or through the Services is a Contribution. For example, the Services may invite you to chat, contribute to, or participate in blogs, message boards, online forums, and other functionality during which you may create, submit, post, display, transmit, publish, distribute, or broadcast content and materials to us or through the Services, including but not limited to text, writings, video, audio, photographs, music, graphics, comments, reviews, rating suggestions, personal information, or other material, as well as any question, comment, suggestion, idea, feedback, or other information about the Services. All of your participation and interaction with those features are Contributions.

Nonconfidential: public. You understand that Contributions may be viewable by other users of the Services and through third-party websites. Your Contributions are not confidential.

Removal and Moderation: We have the right, in our sole and absolute discretion, (1) to edit, redact, or otherwise change any Contributions at any time and for any reason, without notice. We have no obligation to use or monitor your Contributions.

License and Rights

By providing Contributions, you automatically grant us an unrestricted, unlimited, irrevocable, perpetual, non-exclusive, sublicenseable, transferable, royalty-free, fully-paid, worldwide right and license to host, use, copy, reproduce, disclose, sell, resell, publish, broadcast, retitle, archive, store, cache, publicly perform, publicly display, reformat, translate, transform, transmit, excerpt, manipulate and distribute your Contributions (including any audiovisual elements, such as faces, voices and actions) for any purpose in any manner or media, without any attribution, compensation or notice to you. You also automatically grant us the right to use each and every name, likeness and image embodied by your Contributions, with the same scope, for the same purposes and in the same manner.

You represent and warrant that you are authorized to grant us this license.

You acknowledge and agree that this license allows: prepare derivative works of, or incorporate into other works, such Contributions, and grant and authorize sublicenses of the foregoing.

- The use and distribution may occur in any media formats and through any media channels.
- This license includes our use of your name, company name, and franchise name, as applicable, and any of our trademarks, service marks, trade names, logos, and personal and commercial images in connection with the licensed Contributions.
- This license encompasses use to create, assemble and curate datasets and develop, fine-tune, test, and improve artificial intelligence models, including commercial AI models. Company may license such content to AI companies, AI labs, technology companies that build AI models, and research organizations for these same purposes.

You understand and agree that this license allows us and others to train and develop artificial intelligence and machine learning models ("Models") through the ingestion and computation of your Contributions (alone or together with other data), in a manner that enables Models to learn, adapt, and perform tasks autonomously as a result of such training processes. Training content may be represented or embedded by the Models, and you and any contributors will have no right to prevent or interfere with such use.

Waiver

You, on behalf of yourself and all contributors, hereby waive and release any and all claims you may have or allege to have against us, our affiliates, any third parties receiving data or content from us, and any other third parties deriving rights from them, related to the exercise of the licenses you grant herein and the use of your Contributions, including, without limitation, any and all claims related to copyright, trademarks, defamation, moral rights, performer rights, rights of attribution, approval rights, rights of privacy, rights of publicity, impersonation, false light, false endorsement, passing off, and/or any similar or related cause of action, whether now existing or enacted in the future.

As between you and us: (a) we and our sublicensees will own all right, title, and interest (including all intellectual property rights) in and to all Models and all Model Output; (b) no Model or Model Output will be deemed a derivative work based upon your Contributions under any circumstances; (c) the Parties do not intend to create any joint works, and no joint authorship will arise, under these Terms, whether by use of your Contributions or otherwise; and (d) you will not receive any rights, title, interest, or licenses in or to any Models or any Model Output under these Terms. To the extent you have or later obtain any rights in any Models or Model Output, you hereby assign to us all such right, title, and interest. Any rights and waivers granted by you under this provision will survive any termination, expiration, or closure of your account or of these Terms, to the fullest extent permitted by applicable law, including with respect to any Models that were developed, created, trained, fine-tuned, tested, launched, operated, made available, or commercialized (in whole or in part) prior to such termination, expiration, or closure, and with respect to any ongoing use of such Models and any Model Output.

Ownership and Responsibility: Subject to the unrestricted, unlimited, irrevocable, perpetual, non-exclusive, transferable, royalty-free license granted herein, you retain ownership of your original Contributions. You are solely responsible for your Contributions and you expressly agree to reimburse us for any and all losses that we may suffer because of your breach of (a) this section, (b) any third party's intellectual property rights, or (c) applicable law. We are not liable for any statements or representations in your Contributions provided by you in any area on the Services. You expressly agree to exonerate us from any and all responsibility and to refrain from any legal action against us regarding your Contributions.

User Representations and Warranties

You represent, warrant, and covenant on a present and continuing basis that:

(b) your Contributions and the exercise of the license granted in these Terms does not and will not violate any contract, agreement, arrangement, or understanding, whether oral or written, that you or your affiliates have with any third party, including any contributor or copyright owner.

(c) you have obtained from all identifiable speakers, performers, artists, composers, authors, and other contributors to your Contributions the written authorization, consent, permission, and/or other authority necessary to provide such Contributions (including any voices, likenesses, performances, and other identifying characteristics embodied therein) to us and to authorize the uses contemplated by these Terms, including any provision of data or content collected via the Services to third parties and any use of such data or content in connection with any products, services, tools, systems, or other offerings of ours or any third party.

(d) You have complied, and will comply, with all applicable laws in providing your Contributions, including any applicable rights of publicity, privacy, and data-protection laws, and to the extent any Contributions, you have obtained all necessary opt-ins, permissions, and consents to provide such information to us for use in accordance with these Terms.

(e) Your Contributions, and the use thereof by us, our affiliates, and any third-party recipients and their users as contemplated by these Terms, will not infringe, misappropriate, or otherwise violate the rights of any third party, including any intellectual property rights, rights of publicity, and privacy rights, or constitute impersonation in violation of applicable law.

(i) Your Contributions are not unsolicited or unauthorized advertising, promotional materials, pyramid schemes, chain letters, spam, mass mailings, or other forms of solicitation.

(j) Your Contributions are not obscene, lewd, lascivious, filthy, violent, harassing, libelous, slanderous, or otherwise objectionable (as determined by us).

These limitations apply only to the extent they are not prohibited by applicable law. To the extent permissible, any implied warranties that cannot be excluded are limited to ninety (90) days, or such longer period as applicable law requires.

Limitations of liability

IN NO EVENT WILL WE OR OUR DIRECTORS, EMPLOYEES, LICENSEES OR SUBLICENSEES OR AGENTS BE LIABLE TO YOU OR ANY THIRD PARTY FOR ANY DIRECT, INDIRECT, CONSEQUENTIAL, EXEMPLARY, INCIDENTAL, SPECIAL, OR PUNITIVE DAMAGES, INCLUDING LOST PROFIT, LOST REVENUE, LOSS OF DATA, OR OTHER DAMAGES ARISING FROM YOUR USE OF THE SERVICES, EVEN IF WE HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED HEREIN, OUR LIABILITY TO YOU FOR ANY CAUSE WHATSOEVER AND REGARDLESS OF THE FORM OF THE ACTION, WILL AT ALL TIMES BE LIMITED TO THE GREATER OF (1) THE AMOUNT PAID, IF ANY, BY YOU TO US DURING THE SIX (6) MONTH PERIOD PRIOR TO ANY CAUSE OF ACTION ARISING OR (B) \$500.00 USD.

The foregoing applies to the maximum extent permitted by law.

You agree to defend, indemnify, and hold us harmless, including our subsidiaries, affiliates, and all of our respective officers, agents, partners, and employees, from and against any loss, damage, liability, claim, or demand, including reasonable attorneys' fees and expenses, made by any third party due to or arising out of your:

- (3) breach of these Terms;

- (6) any overt harmful act toward any other user of the Services with whom you connected via the Services.

Notwithstanding the foregoing, we reserve the right, at your expense, to assume the exclusive defense and control of any matter for which you are required to indemnify us, and you agree to cooperate, at your expense, with our defense of such claims.

Dispute resolution

You agree to resolve disputes with Company through binding arbitration, except as described in this Dispute Resolution section (the "**Arbitration Clause**"). The parties expressly waive the right to bring or participate in any class, collective, or mass action, private attorney general action, or any other representative action. You may opt-out of this Arbitration Clause within thirty (30) days of first accepting these Terms—see "[Opt-Out](#)" below.

Scope of arbitration

Covered Disputes. You and Company agree that any dispute or claim between you and Company arising out of or relating to this Agreement or the Services (a "**Dispute**") will be resolved by binding arbitration, rather than in court. A Dispute includes any claim or dispute relating to the Services, access and use of the Services, your Account, or any aspects of your relationship or transactions with Company. A Dispute also includes any claims or disputes that arose from or involve facts that occurred before the effectiveness of this Agreement and claims that may arise after its termination. For clarity, nothing in this Arbitration Clause prevents either party from settling any Dispute(s) on a class-wide, batch-wide or other multiparty basis.

- *Sole Exception: Small Claims Court.* This Arbitration Clause does not require arbitration of anything subject to the jurisdiction of a small claims court, if the requirements of the court are met and the claims are only on an individual basis.

18-Month Filing Deadline. To the extent permitted by applicable Law, and notwithstanding any other statute of limitations, any claim or cause of action under this Arbitration Clause (with the exception of disputes under [Exceptions to Arbitration](#) for claims pertaining to intellectual property rights including trademarks, trade dress, domain names, trade secrets, copyrights and patents), must be filed within eighteen (18) months after such claim or cause of action arose. Otherwise, that claim or cause of action will be permanently barred. The statute of limitations and any arbitration cost deadlines remain tolled during the required informal process under [Informal Dispute Resolution First](#) above.

Jury Trial Waiver. You and Company agree to waive any constitutional and statutory rights to sue in court and have a trial in front of a judge or a jury. You and Company are instead electing that all Disputes will be resolved by arbitration under this Arbitration Clause, except as specified under '[Exceptions to Arbitration](#)' above. Court review of an arbitration award is subject to very limited review. Discovery may be limited in arbitration, and procedures are more streamlined than in court.

Class Action Waiver. You and Company agree that, except as specified under '[Batch Process](#)' below, each of us may bring claims against the other only on an individual basis and not on a class, collective, representative, or mass action basis.

- The parties agree to waive all rights to have any Dispute be brought, heard, administered, resolved, or arbitrated on a class, collective, representative, or mass action basis.
- Subject to this Arbitration Clause, the arbitrator may award declaratory or injunctive relief only in favor of the individual party seeking relief and only to the extent necessary to provide relief to the party's individual claim.
- Notwithstanding anything to the contrary in this Arbitration Clause, if a court decides, in a final nonappealable decision, that the limitations of this [Class Action Waiver](#) section are invalid or unenforceable as to a particular claim or request for relief (such as a request for public injunctive relief), you and Company agree that that particular claim or request for relief (and only that particular claim or request for relief) will be severed from the arbitration and will be pursued in the courts specified in the '[Governing Law; Forum](#)' section.

Opt-Out. You may reject this Arbitration Clause and opt out of arbitration by sending an email to opt-out@wavodio.com within thirty (30) calendar days of first accepting these Terms. If you have an Account, your opt-out notice must be sent from the email address associated with your Account. No one may opt-out another person. Your notice to opt-out must include your first and last name, address, the email address associated with your Account (if you have an Account), and a clear statement that you decline this Arbitration Clause.

Resolution process

Informal Dispute Resolution First.

Like you, we want to resolve Disputes without resorting to arbitration. If you have a Dispute with us, before initiating arbitration, you agree to send an individualized request (“**Pre-Arbitration Demand**”) to dispute@wavodio.com so that we can work together to resolve the Dispute.

- A Pre-Arbitration Demand is only valid when it pertains to, and is on behalf of, a single individual. A Pre-Arbitration Demand brought on behalf of multiple individuals is invalid as to all.
- The Pre-Arbitration Demand must include: (i) your name, telephone number, mailing address, and email address associated with your account; (ii) the name, telephone number, mailing address and email address of your counsel, if any; (iii) a description of your Dispute; and (iv) your signature.
- Likewise, if Company has a Dispute with you, Company will send an email with its individualized Pre-Arbitration Demand, including the requirements listed above, to the email address associated with your Account.
- If the Dispute is not resolved within sixty (60) calendar days of when either you or Company submitted a Pre-Arbitration Demand, an arbitration can be brought.

This ‘[Informal Dispute Resolution First](#)’ section is a condition precedent to commencing arbitration. The arbitrator will dismiss any arbitration filed without fully and completely complying with these informal dispute resolution procedures.

This ‘[Informal Dispute Resolution First](#)’ section does not apply to claims brought under any [Exceptions to Arbitration](#).

Arbitration Procedure

If, after completing the ‘[Informal Dispute Resolution First](#)’ process, either you or Company wish to initiate arbitration, the initiating party must serve the other party with a demand for arbitration. Any demand for arbitration by you will be sent to the Company address in ‘[Informal Dispute Resolution First](#)’. Company will send any arbitration demand to the email address associated with your Account or to your counsel, if any. You and Company agree that the Federal Arbitration Act (“**FAA**”) governs this Arbitration Clause. If the FAA cannot apply, then the state laws governing arbitration procedures where you reside apply.

The arbitration will be administered by National Arbitration and Mediation (“**NAM**”) under its operative:

- Comprehensive Dispute Resolution Rules and Procedures, and
- where applicable, its Mass Filing Supplemental Dispute Resolution Rules and Procedures, in each case as available at <https://www.namadr.com/resources/rules-fees-forms>.

This Arbitration Clause will govern to the extent it conflicts with the arbitration provider’s rules.

- If the applicable arbitration provider is not available to arbitrate, the parties will select an alternative arbitration provider. If the parties cannot agree on an appropriate alternative arbitration provider, the parties will ask a court of competent jurisdiction to appoint an arbitrator pursuant to 9 U.S.C. § 5. To the extent there is a dispute over which arbitration provider has jurisdiction, a NAM arbitrator will be appointed to resolve that dispute.

Arbitration hearings will take place through videoconferencing, unless you and Company agree upon another location in writing. A single arbitrator will be appointed.

Arbitration Costs & Remedies.

- Costs. Except as provided for in a Mass Filing under ‘[Batch Process](#)’ below, your responsibility to pay any filing, administrative, and arbitrator costs will be solely as set forth in the applicable arbitration provider’s rules.
- Remedies. The arbitrator may award damages, declaratory or injunctive relief, and recoverable costs. Any arbitration award may be enforced (such as through a judgment) in any court with jurisdiction over the dispute. An arbitration award will have no preclusive effect in another arbitration or court proceeding involving Company and a different individual. The arbitrator will have the exclusive authority to resolve all threshold arbitrability issues, including whether this Arbitration Clause is applicable, unconscionable, or enforceable, as well as any defenses to arbitration. However, a court has exclusive authority to rule on the waiver under ‘[Class Action Waiver](#)’, including any claim that the section is unenforceable, illegal, void or voidable, or that it has been breached.
- If a request to proceed in small claims court (under ‘[Exceptions to Arbitration](#)’), is made after an arbitration has been initiated, but before an arbitrator has been appointed, such arbitration will be administratively closed. Any controversy over the small claims court’s jurisdiction will be determined by the small claims court.

Batch Process

To increase the efficiency of administration and resolution of arbitrations, you and Company agree that if 25 or more arbitration demands of a substantially similar nature are filed within a 180-day period (“**Mass Filing**”):

- to administer the Mass Filing in batches of 25 demands per batch (or less, if fewer than 25 remain) (“**Batches**”), with only one Batch filed, processed, and adjudicated at a time;
- to designate one arbitrator for each Batch;
- to accept applicable fees, including any related fee reduction determined by NAM in its discretion;
- that no other demands for arbitration that are part of the Mass Filing may be filed, processed, or adjudicated until the prior Batch is filed, processed, and adjudicated;
- that fees associated with a demand for arbitration included in a Mass Filing, including fees owed by Company and the claimants, will only be due after your demand for arbitration is included in a Batch that is properly designated for filing, processing, and adjudication; and
- that the Batch process will continue until each demand (including your demand) is adjudicated or otherwise resolved.

Tolling. Any statutes of limitation, including the requirement to file within eighteen (18) months at ‘[18-Month Filing Deadline](#)’, will remain tolled while any arbitration demands are held in abeyance. While the Batches are adjudicated, no other demand for arbitration that is part of the Mass Filing may be processed, administered, or adjudicated, and no filing or other administrative costs for such a demand for arbitration will be due from either party to the arbitration provider.

Speed. The parties will work in good faith with the arbitrator to complete each Batch within 120 calendar days of its initial pre-hearing conference. The parties agree that the Batch process is designed to achieve an overall faster, more efficient, and less costly mechanism for resolving Mass Filings.

- If, contrary to this provision, a party prematurely files an arbitration demand, the parties agree that the arbitration provider must hold those demands in abeyance.

Substantially similar nature. All parties agree that arbitration demands are of a “**substantially similar nature**” if they relate to the same event or factual scenario, raise the same or similar legal issues and seek similar relief.

Mass Filing Administration. Any party may request that the arbitration provider appoint a sole standing administrative arbitrator (“**Administrative Arbitrator**”) to determine threshold questions such as (1) whether the Batch process is

applicable or enforceable, (2) whether particular demand(s) are part of a Mass Filing, and (3) whether demands within a Mass Filing were filed in accordance with this Arbitration Clause, including the '[Informal Dispute Resolution First](#)' section above.

- To expedite resolution of any such dispute by the Administrative Arbitrator, the parties agree that the Administrative Arbitrator may provide and use any procedures necessary to resolve the dispute promptly. Company will pay the Administrative Arbitrator's costs.

This Batch Process provision will in no way be interpreted as increasing the number of claims necessary to trigger the applicability of NAM's Mass Filing Supplemental Dispute Resolution Rules and Procedures, or authorizing class arbitration of any kind. Unless Company otherwise consents in writing, Company does not agree or consent to class arbitration, private attorney general arbitration, or arbitration involving joint or consolidated claims under any circumstances, except as set forth in this '[Batch Process](#)' section.

Settlement. At least ten (10) calendar days before the date set for the arbitration hearing, you or Company may serve a written offer of judgment upon the other party to allow judgment on specified terms.

- If the offer is accepted, the offer with proof of acceptance will be submitted to the arbitration provider, who will enter judgment accordingly.
- If the offer is not accepted before the earlier of (i) the arbitration hearing or (ii) thirty (30) calendar days after it is made, it will be deemed withdrawn, and cannot serve as evidence in the arbitration.

If an offer made by one party is not accepted by the other party, and the other party fails to obtain a more favorable award, the other party will not recover their post-offer costs and will pay the offering party's costs from the time of the offer.

- The parties agree that any disputes with respect to settlement offer(s) or offer(s) of judgment in a Mass Filing are to be resolved by a single arbitrator to the extent such offers contain the same material terms. For arbitrations involving represented parties, the represented parties' attorneys agree to communicate individual offer(s) of judgment to each and every arbitration claimant or respondent to whom such offers are extended.

Severability. Except as provided under '[Class Action Waiver](#)' above, if any provision of this Arbitration Clause is found to be illegal or unenforceable, then that provision will be severed. The remaining provisions will still apply and will be interpreted to achieve the closest possible intent to the original intent of this section, inclusive of the severed provision.
